Apply and pay the contactless way.

To support all the ways you provide care, CareCredit's custom link is an all-inclusive, digital solution that allows clients to learn about and apply for the CareCredit credit card, calculate their monthly payment, and pay online. Now clients can see if they prequalify with no impact to their credit bureau score. All from their own device.

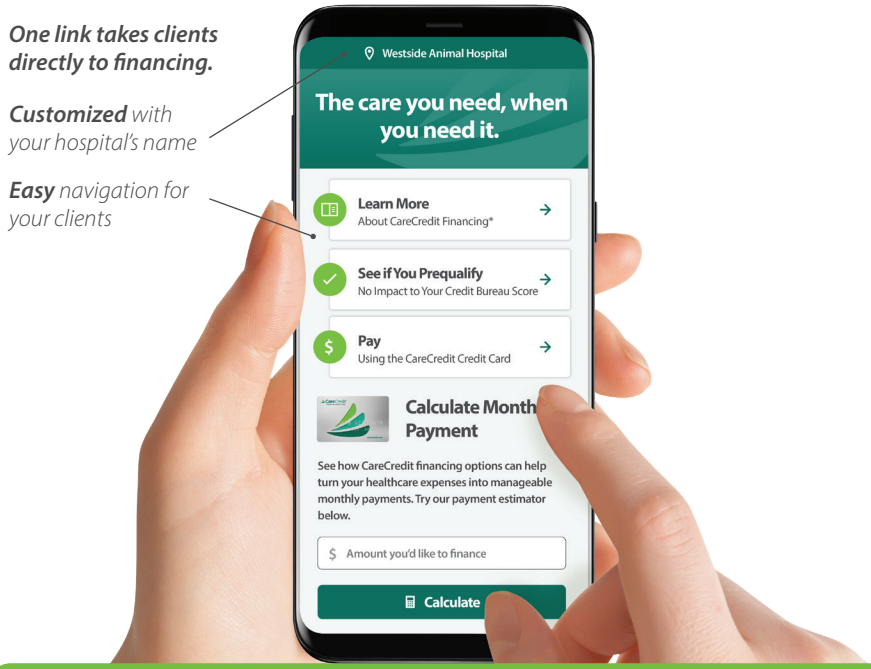

Benefits for your clients

- **Private access from anywhere.** Provides self-guided financing from the barn, at home or at your hospital.
- **Frictionless payments.** Delivers a secure, contactless financing experience, eliminating the need to pass paper forms or a card back and forth.
- **Quick budgeting.** Includes a Payment Calculator so they can easily figure out monthly payments.
- **Immediate credit decision.** Approved applicants can use their account the same day to make a payment.

Advantages for you

- **Saves time.** Allows you to share financing options with your clients without taking time away from care-focused conversations.
- **Streamlined process.** Eliminates the need to retain paper applications and collect sensitive personal information.
- **Supports cost conversations.** Since it's tied to your Merchant ID, you can see who has applied, been approved or has available credit.

Get your custom link. It takes less than a minute.
For details, see the helpful how-to on the back side.

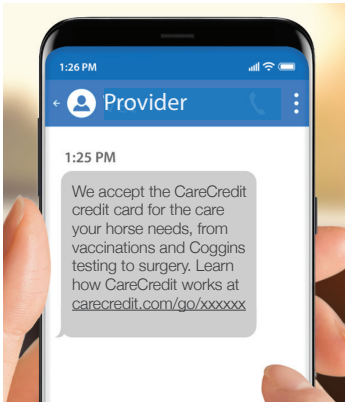

How to create your custom link.

1. Visit carecredit.com/customlink

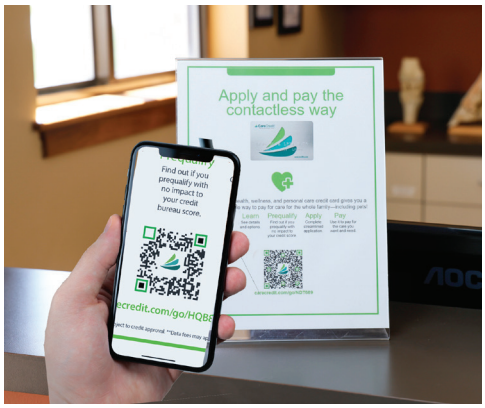

Login with your credentials.

2. Select your preferred format(s)

Your custom link comes in a variety of formats, each associated with your CareCredit Merchant ID number:

URL you can include in emails, texts, estimates and more

QR code to enable clients to scan with their mobile device

Website banner or button to allow clients to apply and pay remotely

3. Share with your clients

Each format links them directly to the self-guided financing experience from their own device.

4. Get paid quickly

As always, you receive payment within 2 business days when they pay with the CareCredit credit card.
